# Future Homemakers Of America

This year was a very industrious one for the FHA. It started with a bake sale and a chili supper to earn money for a Christmas shopping trip to Chicago. The FHA co-sponsored the Sadie Hawkins and Sweetheart dances with the FFA. Our big money makers this year were selling pop at ball games and selling cookbooks. These cookbooks were compiled from recipes collected from community members. Fun activities this year included a skating party, eighth grade picnic, Christmas party, and a weiner roast. This busy and productive year ended with the successful FFA/FHA banquets. Thanks FHA!

# VOTEC

One of the hardest grinds in the daily routine for Armstrong's Votec students is the forty-minute long, bumpy bus journey to Tilton. Once there, however, the many trainees from eight area school districts come alive with hard work and a keen interest in learning their future trades. Votec programs provide career awareness and practical training for many employment areas, including auto service and repair, machine shop, welding, drafting and building trades. Available, too, are electronics, food service, social service and health occupations, office procedures and horticulture. Maybe that long trip there isn't so bad . . . a student may find the dream of his future on the road to Votec!

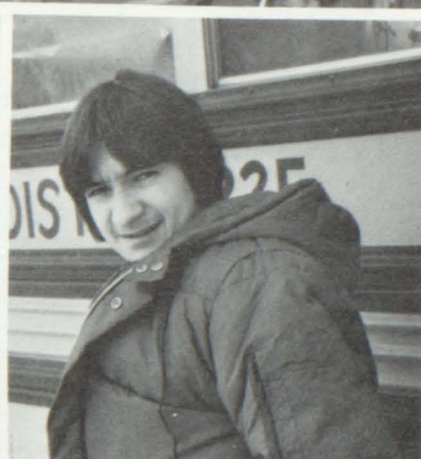

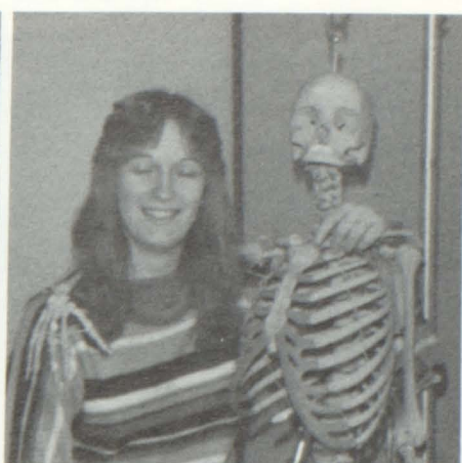

VOTEC members are: Mike Pflugmacher, Steve Frerichs, Karon McMasters, Mary Buck, Detina McCausland, Jody Hinrichs, Sheryl Loschen, Frosty Bartlow, Jack Swan, Russ Johnson, Merrilee Johnson, Scott Burton, Karla Buck, Gwen Denius, Herky Hayn, Kenny O'Banion, Rich Stagen, Doug McElhoe, Jeff Tucker, Todd Abbott, Brenda Helfrich. Creating a yearbook is a demanding and time-consuming task which requires a group of dedicated and conscientious workers. The 1979-80 yearbook staff was just that—a group of hard workers who spent many long hours to create a bigger book, packed full of pictures to preserve the memories of friends and times at ATHS.

# The Melody Makers

The music department consisted of three groups this year: Band, Chorus, and Jazz Band. The band performed as a pep band for five home basketball games and the DACC Tournament. The Jazz Band practiced before school and played for the County Administrators' Dinner. All the groups performed at Christmas for the grade school tours, and in the Pops Concert. Band and Chorus also went to contest. Other department activities included sending musicians to All-District and All-County Festivals and to Solo and Ensemble Contest.

Graduation will take away eight of our Varsity players, but they will be leaving behind an unforgettable 1979-1980 basketball season. THANKS GUYS!!!

Graduating seniors and their parents are honored.

Trojans look forward to another victory.

Our talented Junior Varsity team had a very impressive season, ending the year with a 16-2 record. First year Coach Wellenreiter was pleased, especially with the 39.6 opponent average, the best ever in ATHS history. After this successful season, the future looks promising for the 1980-81 Varsity team! Thanks Guys!

# F-S Cissna Park CHAMPS!

The Sophomore team had a winning season, ending with a 10-3 record overall. This young team gives us a future to look forward to. The Freshmen showed marked improvement through the season. They are small but, with some experience, will be a championship team.

F-S players are: kneeling: Dennis Dautzenberg, Steve Anderson, Bryan Severs, David Goodhue, Dale Wilken, Don Willfong, Standing: John Miles, Jim Carley, Scott Sieberns, Coach Wellenreiter, Tom Park, Jerry Keen, Greg Frerichs.

# FULL OF CHEER!

A cheerleader's job is to keep the Armstrong crowd enthusiastic at all games. That may be easy, but think of all the work involved—Those long practices, Homecoming, stunt night and cooking the players' breakfast, agreeing on and buying the expensive new uniforms and so many long, cold bus rides! It may be hard work, but it sure is fun! JV cheerleaders (at right) are: Liz Allen, Ranae Rademacher, Vonda Pflugmacher, Carol Williams and Jolie Stewart. Varsity cheerleaders (at bottom) are: Kim Suits and Laurie Tool (captains), Denise Ackerman, Teresa Park, Cindy Fleming and Detina McCausland.

Seniors receive a rose at the last home game.

# Girls Have A Winning

Varsity players are: Kneeling: Denise Ackerman, Ranae Rademacher, Kim Suits, Lisa Pflugmacher, Cecelia Buck, Standing: Coach Bezely, LouAnn Koebel, Steph Dautzenburg, Debbie Davis, Debbie Smith, Julie Shumate, Tim Sandy, Manager.

The girls basketball team showed a marked improvement from the beginning of the season to the end. They posted a 10 win—7 loss record, for the first winning season ever in girls basketball at ATHS. This was accomplished despite the fact that there was only one senior on the squad, making the future look bright.

**ACTIVITIES**

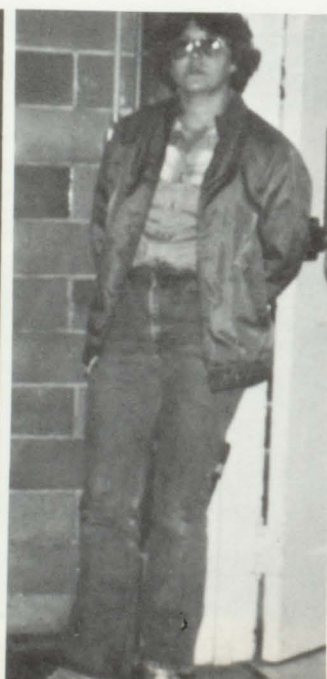

## *Freshmen Dance*

The evening of September 21 brought with it the Freshmen Welcome Dance. Guest DJ, Scott Wahlfeldt, of Big Sound Company played the tunes during this first dance of the 79-80 year.

*Old friends welcome new friends*

# Nutrition Day

The Nutrition Day activities, sponsored by Mrs. Tate's first semester Health class, turned out to be an enjoyable and informative success for all. Games included a poster contest, dart-throwing, guessing the number of peanuts in a jar, naming the Cool Whip "Mystery Food", and listing as many Campbell soups as possible in a minute! Visitors from neighboring grade schools, including Armstrong, Penfield, Gifford and Rantoul, all enjoyed the healthful prizes won and the chance to learn that "We are what we eat!"

Armstrong Grade School's objets d'art?!

Now close your eyes—it won't hurt a bit . . .

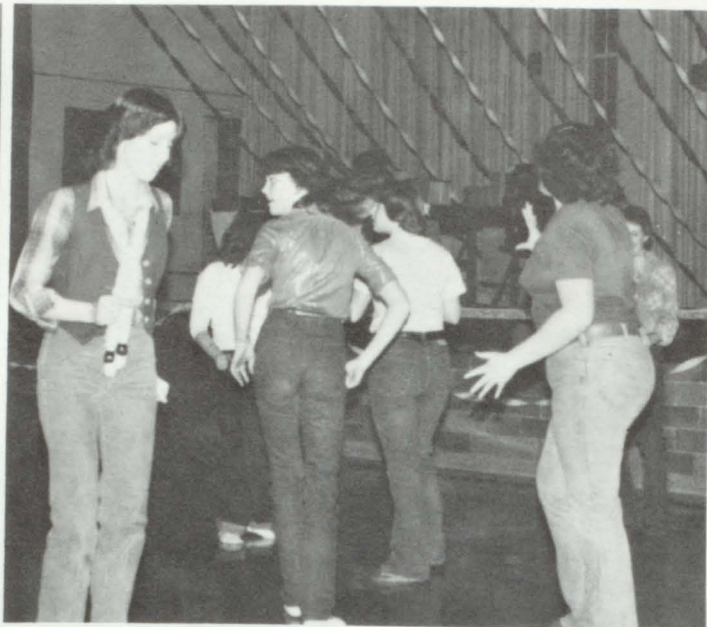

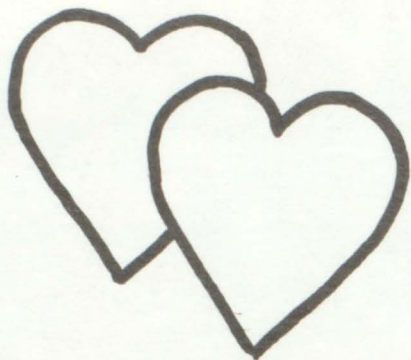

Tuckers' Inn would be at a loss without it!

This one here, that one there—is it lit yet?

# Sweetheart Dance

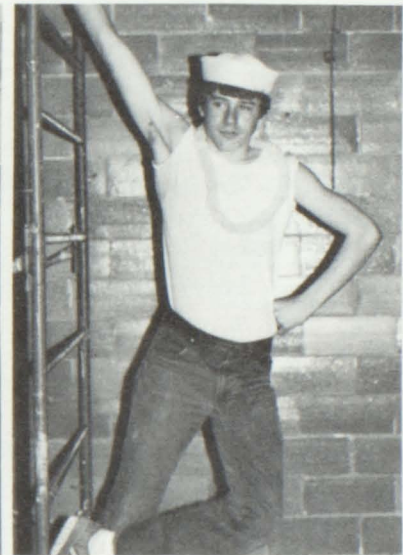

# Fantasy Island Masquerade Dance

The Spanish Club fulfilled their fantasy this year having the very first Masquerade Dance ever. The costume winners hopped and boogied all the way up to get their prizes, while the rest of the people had a good ol' time.

*Directors*

Mrs. Miller, Dramatical

Mr. Greene, Musical

HAPPINESS IS—being involved with ATHS's production of *YOU'RE A GOOD MAN, CHARLIE BROWN*. The play presented little moments picked from various days in Charlie Brown's life. The potpourri included Charlie's lonely lunch on the school playground; Lucy's attempt to win the heart of the sensitive six-year-old musician, Schroeder; Linus' song-and-dance with his "favorite thing"—his blanket; Peppermint Patty's sweetness and innocence; Snoopy's bout with the Red Baron, and of course, his "Supertime" dance routine complete with hat and cane. Together they shared the heartbreak of the Very Little League's Championship Baseball Game, the struggles of writing a "Book Report" on Peter Rabbit and a hopeful "Happiness" on a lovely starlit evening. Happiness came to Armstrong on April 11 and 12, and part of it will stay in our hearts forever.

# Class Competition Day

Several changes made this year's Class Competition an exciting round of events. Added were greased and disgruntled pigs, and an uproarious relay of tire-hopping and frog-leaping! But the same old rope problem—breaking away in the middle—must prove the arm strength of all the Armstrong classes! The winners, though, this year were the Seniors, with Sophomores placing second.

This takes coordination.

## *Juniors and Seniors*

A PERFECT EVENING—That's the way prom night, May 10th, will be remembered by the many couples who danced the night away at Danville's Boat Club, overlooking Lake Vermilion. An excellent dinner of prime rib, followed by the entertaining reading of the class prophecy and wills, launched the evening. "Trafalgar" kept the music flowing, while beautifully dressed couples danced and posed for pictures. The 1980 prom will be long remembered a success as sparkling as the lake itself on that warm spring night.
